# Flight Safety Review

Determination:	Nominal	Provisional	Denied
----------------	---------	-------------	--------

**Issues Requiring Resolution or Rational for Denied Flight Readiness Status:**

Indicate whether each issue is minor or major under "criticality". Asterisk each major issue. Use a new line for each issue and continue list or provide supplemental information on the reverse side as necessary. Strikethrough if nominal.

#	Criticality:	Description:

13		

**Instructions to the LCO (Optional):**

*This section may be used to provide supplemental information to assist the LCO in his/her duties.*

**Signatures:**

*Both the reviewer and a flier representative must acknowledge first the review's determination, and then it's resolution. In the case of either nominal or denied determinations, these acknowledgements will be completed simultaneously. IREC Competitors must also be sure to check-in their payload(s) prior to presenting this form to the LCO.*

**Acknowledgement of Payload Check-in:** *(strikethrough if not applicable)*

Official:	Flier:	Date:
-----------	--------	-------

**Acknowledgement of Flight Safety Review Determination**

Official:	Flier	Date
-----------	-------	------

**Acknowledgement of Flight Safety Review Resolution**

Official:	Flier	Date
-----------	-------	------

**Important:** *This form is not resolved until an appropriate reviewer has signed both the determination and the resolution block. The LCO will not act on an unresolved form.*
