

SPACEPORT AMERICA® CUP

Animal Motor Works

The official onsite vendor for the 2018 Spaceport America Cup

A BETTER WAY TO FLY

Over two decades of experience manufacturing motors. We ARE your motor experts.

We have the largest assortment of supplies for all your Rocketry needs.

We are experts in the field of Rocketry and can assist you with any particular problems you may run into.

WE'VE GOT YOUR BACK!

We will do our best to make your experience at the Spaceport America Cup amazing.

Animal Motor Works regularly attends major regional launches around the country including:

LDRS

NSL

NASA SLI

BALLS

TARC Finals

Animal Motor Works is honored to be chosen by ESRA to help ensure the success of your project.

We have the largest in-stock selection of CTI motors and hardware.

Gloria and Robert from Animal Motor Works

Robert and Gloria have supported the High Power Rocketry community for years as owners of Animal Motor Works. They are both experts in EXTREME rocketry and are certified L3 rocketeers.
