Instructions to the LCO (Optional):

This section may be used to provide supplemental information to assist the LCO in his/her duties.

Signatures:

Both the reviewer and a flier representative must acknowledge first the review's determination, and then it's resolution. In the case of either nominal or denied determinations, these acknowledgements will be completed simultaneously. IREC Competitors must also be sure to check-in their payload(s) prior to presenting this form to the LCO.
